

# I Cried For You

Ray Charles

I cried for you  
Now it's your turn to cry over me

Every road must have a turning  
I know that's one thing that you're learning  
I cried for you  
What a fool I used to be

I found a love just a little bit truer  
I found a heart just a little bit newer  
I cried for you  
Now it's your turn to cry over me

Girl, I found a love just a little bit truer now  
I found a heart just a little bit newer  
Well I cried for you  
Woah, and it's your turn to cry over me
