

# I'm Satisfied

Ray Charles

(I'm satisfied) Just can't keep it to myself  
(I'm satisfied) I gotta test somebody  
(I'm satisfied) Woah  
I'm satisfied with you (Yes, it is)

Nobody else can do what you can do to me  
(Wooo, baby, well, that's just how's it gonna be)  
Nothing could ever compare  
(To what we feel and the love that we share)

(I'm satisfied) Tell me all about it  
(I'm satisfied) Wooo-ho, believe it now  
(I'm satisfied) Woah  
I'm satisfied with you

I'm so happy to be loving you  
(I want you to know that I feel the same way too)  
No other girl could offer me more  
(I'm so glad I want just what you're looking for)

(I'm satisfied) Girl, I ain't lying  
(I'm satisfied) Wooho  
(I'm satisfied) Ahhh  
I'm satisfied with you  
(I'm satisfied) Yeah  
(I'm satisfied) Yeah, yeah, yeah  
(I'm satisfied) Ahhh  
I'm satisfied with you  
(Sing along, sing along)
