

# I Married An Angel

Ray Charles

Have you heard I married an angel,  
I'm sure that the change'll be awf'ully good for me.  
Have you heard an angel I married,  
To heaven she's carried this fellow with a kiss,  
She is sweet and gentle, so it isn't strange, when I'm sentimental  
She loves me like an angel.  
Now you've heard, I married an angel,  
This beautiful change will be awf'ully good for me.
