

# I've Got A Woman

Ray Charles

Woah, sometime  
Sometime and you know that I'm gettin' a little worried now, now  
Woah, but I, I don't care, I don't care because it's oh, woah, woah  
It's alright now, now, now  
Yeah, it's alright  
I want y'all to know that

I've got a woman over town now  
That's good to me, yes, I have  
I've got a woman way over town now  
Good to me, I know  
She give me money when I'm in need, yeah  
Oh, she's a kind of a friend, indeed  
I've got a woman way over town now  
So good to me, yes, I have

She saves her lovin' early in the mornin'  
Just for me, oh, yeah  
She saves her lovin' now, early in the mornin'  
Just for me, I know  
She saves her lovin' just for me  
Ah, she love me tenderly  
Oh, I've got a woman now, way over town now  
So good to me, what I say

She's there to love me  
Both day and night  
Never grumbles or fusses  
Always treats me right  
Never runnin' in the streets  
And leavin' me alone  
She knows a woman's place  
Right there, now, in her home

I've got a woman, yeah, over town now  
So good to me, oh, what I say  
I've got a woman way over town now  
Good to me, oh  
She's my baby, don't you understand now?  
Oh, yeah, I'm her lover man  
I've got a woman now, way over town now  
So good to me, yes, I have

She's alright, she's alright  
She's alright, she's alright  
She give me money when I'm in need  
Yeah, she's a kind of friend, indeed  
She saves her lovin' just for me  
And I know she gonna love me tenderly  
She's there to love me now  
Both day and night  
Never grumbles or fusses  
Always treats me right  
Never runnin' in the streets  
Leavin' me alone  
She knows her place  
It's in her home

She's my baby, she's my baby  
She's my baby  
She's my baby, don't you understand?  
Well, uh-huh, uh-huh, uh-huh, uh-huh  
Huh, uh-huh-huh, mmm  
Her lover man  
Alright, alright  
Alright, yeah, she's alright now  
Yeah, I know she's alright  
Well, oh, oh, no, no, no, no  
She's alright, yeah, she's alright  
Uh-huh, I've got a woman  
I want you to know she's alright now  
Uh, bum, bum-bum-bum, bum-bum-bum, bum-bum-bum, bum  
Mmm, she's alright now, she's alright  
Oh, yeah  
Oh, yeah  
Oh, yeah  
Oh, yeah  
Oh, yeah  
Ooh  
Well, I know, I know  
Yeah, I know, yeah  
That I'd be here  
That I'd be here  
That I'd be here  
That I'd be with you  
This time, I'd be here, oh  
Alright now, feel alright  
I feel alright  
I've got a woman  
I've got a woman  
She make me feel alright  
Early in the mornin'  
Early in the midnight  
Every day, every night  
In my room, woah, in my bed now  
She make me feel alright  
Heard her say  
I heard her say  
Said, "Who am I?"  
Said, "Who am I?"  
I say you're my baby now  
You're my baby  
And you make me feel alright  
Feel alright  
Feel alright now  
Feel alright  
Feel alright  
Feel alright  
Feel alright  
Hey  
Yeah  
Woo-hoo
