I Wonder

Ray Charles

Sometimes I sit here in this chair and I wonder
(I wonder) Whoa, my little darlin'
(I wonder) Tell me, where can you be
Where can you be again tonight?

Are you holdin'? (I wonder)
Are you holding someone tight now (I wonder)
I tell ya, I wonder
(Wonder, wonder, wonder)

You know my heart (my heart)
Oh, is achin' (is achin')
I feel like a fool
I feel like a fool to let it go on breakin'

But somehow I know I wake up (I wonder)
I wake up and find I was mistaken (I wonder)
That's why everyday I keep on wonderin'
(I wonder)

Ever since we been through
Since we've been through
I been through Lover's Lane
And in my heart, there's only pain
And you've been travelin' but a-will it last
While I've been travelin' nowhere fast

Well, yes, I wonder (I wonder)
Well, well, well, well, well, my baby (my baby)
Oh, will you please think of me
Will you please think of me again today

I don't care if you been gone (I wonder)
I don't care if you a million miles away (I wonder)
I have to wonder
(I wonder) I wonder
