

## Single-O

Ray Charles

Single-O, all the way  
Rain or shine  
Gonna stay, Single-O  
Till you're mine  
Like the peach,  
At the top, of the tree  
Gonna stay, Single-O  
Till it's me  
And though I don't know what caresses  
You expect to find  
I know my address is  
Lonesomeville till you make up your mind  
When you do  
And it's me  
You adore  
Then I'll be  
Single-O no more  
And though I don't know what caresses  
You expect to find  
I know my address is  
Lonesomeville till you make up your mind  
When you do  
And it's me  
You adore  
Then I'll be  
Single-O no more
