

The Long And Winding Road

Ray Charles

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
It always leads me here
Leads me to your door
Leads me to your door

The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day, crying crying crying
Why leave me waiting here
Let me know the way
Come on baby, show me the way

Many times I've been alone
And many times I've cried
Anyway you'll never know
The many ways I've tried

Still they lead me back
To the long, said the winding road
You left me standing here
A long time ago
Girl, don't keep me waiting here
Lead me to you door

Come on baby, take me home
Please, take me home
