

## Yes Indeed

Ray Charles

Yes indeed yes indeed I've got that feeling in me yes indeed  
You will shout when it hits you yes indeed  
Yes you'll shout when it hits you yes indeed  
When that spirit moves you you will shout hallelujah  
When it hits you you'll holler yes indeed  
It comes out if it's in you yes indeed  
It makes you shout Jack it sends you yes indeed  
When that jive starts jumpin' you will shout let me in there  
When it hits you you'll holler yes indeed  
Yes you'll shout when it hits you yes indeed...  
It comes out if it's in you yes indeed...  
Yes indeed yes indeed I've got that feeling in me yes indeed  
When that spirit moves you you will shout hallelujah  
When it hits you when it hits you  
When it hits you yes indeed
