Yes indeed yes indeed I've got that feeling in me yes indeed You will shout when it hits you yes indeed Yes you'll shout when it hits you yes indeed When that spirit moves you you will shout hallelujah When it hits you you'll holler yes indeed It comes out if it's in you yes indeed It makes you shout Jack it sends you yes indeed When that jive starts jumpin' you will shout let me in there When it hits you you'll holler yes indeed Yes you'll shout when it hits you yes indeed... It comes out if it's in you yes indeed... Yes indeed yes indeed I've got that feeling in me yes indeed When that spirit moves you you will shout hallelujah When it hits you when it hits you When it hits you yes indeed
