

You Win Again

Ray Charles

What can I do
You win again

The news is out
All over town
That you've been seen
Just a running 'round

I know that I
Should leave, but then
I just can't go.
You win again...

This heart of mine
Could never see
What everybody knew about me

Just trustin' you
Was my great sin
What can I do
You win again, yes

What can I do
You win again

I'm sorry for
Your victim now
'Coz soon, his head
Like mine will bow

He'll give his heart
But all in vain
And some day say
You win again

You have no heart
You have no shame
You take true love
And give the blame

I'll guess that I should not complain
I love you still
Well, you win again

I love you still
You win again

Win again
