

## Moonlight Serenade

Ray Conniff

Stars are aglow and tonight how their light sets me dreaming,  
My love, do you know that your eyes are like stars brightly bea-  
ming?

I bring you and sing you  
A moonlight serenade.

Let us stray till break of day  
In love's valley of dreams,  
You and i, a summer sky,  
A heavenly breeze kisses the trees.

So don't let me wait, come to me tenderly in the june light.  
I stand at your gate and I sing you a song in the moonlight,  
A love song, my darling,  
A moonlight serenade.

We can stay till break of day  
In love's valley of dreams,  
You and i, a summer sky,  
A heavenly breeze kisses the trees.

So don't let me wait, come to me tenderly in the june light.  
I stand at your gate and I sing you a song in the moonlight,  
A love song, my darling,  
A moonlight serenade.
