

Pearly Shells

Ray Conniff

Pa-da-da
Pearly shells from the ocean.
Shinning in the sun, covering the shore.

When I see them my heart tells me that I love you.
More than all, those pearly shells.

Pearly shells - pearly shells
From the ocean - from the ocean
Shinning in the sun - shinning in the sun

Covering the shore - covering the shore

When I see them - when I see them

My heart tells me that I love you.

More than all, those little bit pearly shells.

For every grain of sand upon the beach

I've got a kiss for you.

And I've got more left over for each star

That trackles in the blue.

Pearly shells from the ocean.
Shinning in the sun covering the shore.

When I see them my heart tells me that I love you.

More than all, those little pearly shells.

More than all, those little pearly shells.

More than all, those little pearly shells.

Pearly shells!
