

# ALL WE GOT

Ray Dalton

On a zeppelin ride  
In a blood red sky  
We been getting so high  
Oh my gosh, oh my gosh

We been going for days  
In a champagne haze  
Give me one more taste  
Oh my gosh, oh my gosh

It ain't the time to be alone  
So blow a kiss, don't let it go

Love is all we got  
So come on, fill your cup  
Cuz love is all we got  
It ain't fading, fading

Love is all we got  
Don't waste a single drop  
Yeah love is all I got  
It ain't fading, fading now

It ain't fading, fading  
It ain't fading, fading

We're floating on dreams  
We could dive so deep  
Keep running with me  
Let's get lost, let's get lost

It's a beautiful life  
In a sea of lights  
No space, no time  
Oh my gosh, oh my gosh

It ain't the time to be alone  
So blow a kiss, don't let it go

Love is all we got  
So come on, fill your cup  
Cuz love is all we got  
It ain't fading, fading

Love is all we got  
Don't waste a single drop  
Yeah love is all I got  
It ain't fading, fading now

(Fading now)  
It ain't fading, fading  
It ain't fading, fading

Love is all we got  
Don't waste a single drop  
Yeah love is all I got  
It ain't fading, fading now
