

In My Bones

Ray Dalton

Yes I made a lot of mistakes, yeah
Guess I've been in my own way
But I gotta do what it takes now
Got me feeling like I missed my time
Got me feeling like I'm lost
I'll be facing all my demons now (now)

I got my eyes on the road, Love, oh
I'm gonna do right by you, Love, oh

'Cause I got a feeling in my bones
In my bones, yeah baby
I gotta move like a rolling stone
Rolling stone, yeah baby
Ain't nobody gonna talk me down
Ain't nobody gonna hold me now
I got a feeling in my bones
In my bones
Will never touch the ground

I feel it in my bones

I've been walking on a tightrope, yeah
I've been dancing with a ghost
Can't nobody take me out my zone
I gotta walk until I get there, yeah
One step at a time
Tell my baby I'll be coming home

I got my eyes on the road, Love, oh
I'm gonna do right by you, Love, oh

'Cause I got a feeling in my bones
In my bones, yeah baby
I gotta move like a rolling stone
Rolling stone, yeah baby
Ain't nobody gonna talk me down
Ain't nobody gonna hold me now
I got a feeling in my bones
In my bones
Will never touch the ground

I feel it in my bones

So, I'm gon' take a leap of faith
Feel this moment, find my place
No, I ain't here to walk alone

So, we can take a leap of faith
Seal the moment, find a place
We ain't gotta walk alone

'Cause I got a feeling in my bones
In my bones, yeah baby
I gotta move like a rolling stone
Rolling stone, yeah baby

I got a feeling in my bones
In my bones, yeah baby
I gotta move like a rolling stone
Rolling stone, yeah baby
Ain't nobody gonna talk me down
Ain't nobody gonna hold me now
I got a feeling in my bones
In my bones
Will never touch the ground

I feel it in my bones
