

Thee Unknown

Ray Dalton

(Thee Unknown, Thee Unknown, Thee Unknown)

2 AM, still thinking
Been out, all night, no sleeping
My feelings [?]
And I know what I gotta do
These walls keep on moving
I fight, I won't be losing
My angels, keep calling
And I know what I gotta do

This time I'm gonna make it right
I'm giving it up
This time it's only do or die

Won't let my fears be my enemy
And my thoughts be the death in me
I won't go back, I'm ready for thee unknown
Won't let my stains play a melody
I'll just dance to my destiny
I won't go back, I'm ready for thee unknown

Deep waters, are caving
Up to, what I believe in
Look at me, still breathing
And I know what I gotta do

This time I'm gonna make it right
I'm giving it up
This time it's only do or die

Won't let my fears be my enemy
And my thoughts be the death in me
I won't go back, I'm ready for thee unknown
Won't let my stains play a melody
I'll just dance to my destiny
I won't go back, I'm ready for thee unknown

Thee unknown
Thee unknown
Thee unknown

I been hiding from what's meant to be
Been runnin all my life
And I've got to find a place where I belong
I been hiding from what's meant to be
Been runnin all my life
And I've got to find a place where I belong

Won't let my fears be my enemy
And my thoughts be the death in me
I won't go back, I'm ready for thee unknown
Won't let my stains play a melody
I'll just dance to my destiny
I won't go back, I'm ready for thee unknown

Thee unknown

Thee unknown
Thee unknown
(Thee unknown)
Thee unknown
Thee unknown
Thee unknown
