Caught up in the matrix, so far gone, don't wake me now

[Hook - Dria]

Don't keep me waiting, I'm anticipating
Come meet me baby, in this dream

So I hit her with a left like fight night
In the club tight, diamonds shine on bright

She want to take it to the next level, I'm a trend setter
Baby living better, she want to see if I got real cheddar
My pockets so fat, look like nutty professor
The blue Benji's make her feel better

[Hook]
