

Hurt You

Ray J

I don't wanna hurt you but I know I bruised you
I don't wanna lose you, mmh, oh
I don't mean to hurt you but I know I bruised you
But I don't wanna lose you
I don't mean to hurt you but I know I bruised you
I don't wanna lose you, no-no
I don't wanna hurt you but I know I bruise you
But I don't wanna lose you, oh-nah-nah

I know what I did to you baby, I fucked around and set your world on fire
Yeah, yeah, yeah, yeah
And I know you mad at me 'cause I didn't do the things that you may have required
Yeah, yeah, yeah, yeah
But I'm down to fix it, are you?
I'll make reservations for two
Just so we can talk about it
Just to be honest, this feels like déjà vu, baby
Why we keep going through the same old thing?
I'm your king and you're my queen
Made you a promise, got you a diamond ring
I'm sorry that's on everything, I mean it

I don't wanna hurt you but I know I bruised you
I don't wanna lose you, mmh, oh
I don't mean to hurt you but I know I bruised you
But I don't wanna lose you, don't wanna be without you
I don't mean to hurt you but I know I bruised you
But I don't wanna lose you, I can't lose you baby, no-no
I don't wanna hurt you but I know I bruise you
But I don't wanna lose you, singing oh-nah-nah

I know I've been messing our connections up
I ain't never tryna mess it up
I know I did all that extra stuff
I don't wanna mess my blessings up
Why we keep going through the same old thing?
I'm your king, you're my queen
Made you a promise, got you a diamond ring
I'm sorry, that's on everything, I mean it

I don't wanna hurt you but I know I bruised you
I don't wanna lose you, mmh, oh
I don't mean to hurt you but I know I bruised you
But I don't wanna lose you
But I don't mean to hurt you but I know I bruised you
I don't wanna lose you, don't forgive me, no-no
I don't wanna hurt you but I know I bruise you
But I don't wanna lose you, oh-nah-nah
