

Keep Sweatin'

Ray J

Pullin up to the club
Six coke dealers in my truck
Slidin to the v.i room
Hypnotik is in my cup
Then i felt someone grab me
And say aint u from cali
Then say welcome to miami
Yea she was on me heavy
So i brushed up like wats up
So her jeans was tight as wat
I say next she made me step
Back a minute she was wet
By then i was so ready
She got my tank top so sweaty
Tossed her up like makavelli
And yea she was on me heavy

O0o keep sweatin
Uh uh keep sweatin
(o0o0o im sweaty its so hot im sweaty)
O0o well u really dont stop
Do wat u do till ur bodies hot
Bak it on up to the wall then drop
O0o now take it to the top
Now push it bak push it bak push it bak baby
Now push it bak push it bak push it bak oh
Push it bak push it bak uh push it bak push it bak uh

Come on
3am club is packed
Sure by now shes feelin that
I might go and take her home
Yea she knew i made it knwon
Sweat drippin down her face
Took my mind to a different place
Club was kool
If i had my way yea we'd be at my place
Krazzi how she was down
Looked at me and said lets bounce
Gt coupe in velour
Looked at her and said swell huh
Then we started to roll out
Almost to my crib and shes down
For wateva u kno im down
Yea she'll be sweatin for me now
Come on

O0o keep sweatin
Uh uh keep sweatin
(o0o0o im sweaty its so hot im sweaty)
O0o well u really dont stop
Do wat u do till ur bodies hot
Bak it on up to the wall then drop
O0o now take it to the top
Now push it bak push it bak push it bak baby

Now push it bak push it bak push it bak oh
Push it bak push it bak uh push it bak push it bak uh

Woke up in the mornin
And i washed my face
Had hoochies in my bed
3 by the fire place
Another 4 on the rug
And they keepin on touch
Everybody do the snake
Wen they fuken wit us
Now chikz luv me
Well atleast they say so
Or mayb its tha money
Or the sweet
See i dun give a fuk
I just leave and replace hoez
And everyones a playa
But believe me they aint joe

Stains on my shirt
And its not from that club
Ray j dunno how to act
U can if u feel me
We can rock away
I jst wana make ya sweat
Y'all feel me
Right around tha world
From east to west coasts
Gona make sure ya'll go home
And change clothes
But now we just want ur clothes to be soaked
And if u cant take it
Undress on the dancefloor
