Check out my progression
Check out my progression
Yeah nigga check out my progression
Since I can remember, young nigga been balling since adolescence
Balling since Carson California, back when my suit would roll with
me was best friends
New Audemars on my left wrist out in Paris having breakfast
Went from playing bitches to getting married to my wife out in
Austin, Texas
Now watch her hit you with the necklace, the watch, the purses
and the dresses
I rock the Valentino shoes, then hit you with the suit tailored
by the bestest
This is black excellence, Young C.E.O. and the president
Seven figure deal with Netflix and a couple more for the settlement
I light up the nighttime its elegant, no guns in my glove got to
o chuckle man
Told my nigga Marcus the jet lands at 17 and on the west end
Bad bitches and their best friends, white girl in my left hand
Bouncing on my dick you can see her sticking out like a night stand,
Young drummer boy with the Benz and I got two aces in my hand
Fuck niggas will never understand, if you do
Check out my progression, yea nigga check out my progression
Nigga whipping in the kitchen, OJ mayo with the roc
Keep my dick in great condition, making miracles out of bitches
Young money lock on the defense, my left eye open watching nigga
as creepin'
I've got that ivory for the ladies, and I ain't talking shine or
keenan
I've been wrestling with the demons, I beat the game got my freedom
I took an L learned a very smart lesson, nigga check out my progression
Check out my progression, yea nigga check out my progression
