

# The Promise

Ray J

I promise, promise, promise  
Yeah, yeah, oh, yeah, yeah

Precious, I will cherish every moment  
Spending all my days with you near me  
Always longing to feel, you're love only  
I'll never walk away, baby  
This is my whole hearted promise and I

I'll make this promise to you  
You know that I'd give  
The world to you, baby  
Come and try my love

I'll make this promise to you  
And all that I do  
I do for you, baby  
Never doubt my love, this is my promise  
(Promise, hey yeah, hey yeah, oh yeah)

Sunshine, may I light up all of your darkest days  
Be your shelter in the pouring rain  
May I calm all of your fears away?  
If you'll make a vow that you'll trust me  
In spite of what they might say and I'll

I'll make this promise to you  
You know that I'd give  
The world to you, baby  
Come and try my love

I'll make this promise to you  
And all that I do  
I do for you, baby  
Never doubt my love

I'll make this promise to you  
You know that I'd give  
The world to you, baby  
Come and try my love

I'll make this promise to you  
And all that I do  
I do for you baby  
Never doubt my love, this is my promise  
(Never doubt my love)  
Never, never  
(Never doubt my love)

Promise, I promise  
(Gotta be you and me)  
It's more than a word to me  
It's the only way I know to be with you  
I promise, I'll never leave you  
I need you, can't you see?  
  
(Promise to you)

Oh, I'll make  
I'll make this promise to you  
You know that I'd give  
The world to you, baby  
Come and try my love

I'll make this promise to you  
And all that I do  
I do for you, baby  
Never doubt my love

I'll make this promise to you  
You know that I'd give  
The world to you, baby  
Come and try my love

I'll make this promise to you  
And all that I do  
I do for you, baby  
Never doubt my love, this is my promise
