Are We Really Through

Ray LaMontagne

Is that sun ever gonna break
Break on through the clouds
Shine down in all its glory onto me?
Head upon the ground
'Cause I can't hear the sound
'Cept my own sad story

Get so tired
Starin' at the wall
Weight's so heavy
And that mountain's so tall

Is there no one who would catch me if I fall?
Is there no one who would catch me if I fall?

Because it's more
More than I can take
Wish that I could fake it
Pretend like I don't know what's going on

Something's wrong
Something's wrong
Trying to hold on
Just a little longer

Get so tired
Staring at the wall
Weight's so heavy
And that mountain's so tall
Is there no one who would catch me if I fall?
Who's gonna catch me if I fall?

Can ya hear me?
Can ya see me?
Why is that so hard
For you to do?
Don't despair me, girl
Just tell me
Are we really through?

Is that sun
Ever gonna break
Break on through the clouds
Shine down in all its glory onto me?
Head upon the ground
'Cause I can't hear the sound
'Cept my own sad story

Can ya hear me?
Can ya see me?
Why is that so hard
For you to do?
Don't despair me, girl
Just tell me
Are we really through?

Are we really through?
