

Such A Simple Thing

Ray LaMontagne

Tell me what you're feeling
I can take the pain
Tell me that you mean it
That you won't leave again

Tell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flame

I can't make you see
If you don't by now
I'll get through these chains
Somehow, somehow

Take it if you want it
Im so tired I just don't care
Can't you see how much you hurt me?
It's like I wasn't there

Tell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flame
My heart is like paper
Yours is like a flame

I can't make you see
If you don't by now
I'll get through these chains
Some how, some how

Tell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flame
My heart is like paper
Yours is like a flame
