# Fever

**Ray Peterson**

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear
You give me fever

When you kiss me, fever when you hold me tight
Fever! In the morning, fever all through the night

Listen to me baby
Hear every word I say
No one can love you the way I do
Cause they don't know how to love you
The way you give me fever

When you kiss me, fever when you hold me tight
Fever! In the morning, fever all through the night

Well
Sun lights up the daytime
Moon lights up the night
I light up when you call my name
Cause you know I'm gonna treat you right
You give me fever

When you kiss me, fever when you hold me tight
Fever! In the morning, fever all through the night

Bless my soul I love you
Take this heart away
Take these arms I'll never use
Believe what my lips have to say

When you kiss me, fever when you hold me tight
Fever! In the morning, fever
All...
