(The strings of my heart)
(The strings of my heart)
(The strings of my heart)
(The strings of my heart)

Suddenly
The strings of my heart play
A melody
And it is haunting me
It happened so suddenly

Oh oh, and desperately
I wanted you so desperately
And if you'll be true to me
I'll love you tenderly

Oh my darling, I love you
And I'll place no one above you
You are my inspiration
Whenever I need there's a sensation

Suddenly
The strings of my heart play
A melody
And it is haunting me
It happened
It happened
It happened
So
Suddenly
