

I Keep Looking Back

Ray Price

I keep looking back over my shoulder
But the footsteps of a fool is all I see
I keep looking back over my shoulder
Hoping someday I'll see you smiling and looking back at me

It makes no difference now who was right who was wrong
Too late to go back now I've been away too long
Still I keep looking back over my shoulder
Hoping someday I'll see you smiling and looking back at me

I walk along now on this road of regret
And the miles between us haven't let me forget

Cause I keep looking back over my shoulder
But the footsteps of a fool is all I see
I keep looking back over my shoulder
Hoping someday I'll see you smiling and looking back at me
