

You Took Her Off My Hands

Ray Price

You took her off my hands when you've stepped in
You changed everything, we're not even friends
Don't leave the job half done, leave nothing behind

Please take her photograph, my heart's so blue
And take all her memories, she now belongs to you
Don't leave the job half done, leave nothing behind
You took her off my hands, now please take her off my mind
You took her off my hands, now please take her off my mind

Please take her photograph, my heart's so blue
And take all her memories, she now belongs to you
Don't leave the job half done, leave nothing behind
You took her off my hands, now please take her off my mind
