

Long Black Cadillac

Ray Scott

I'm gonna leave you
There ain't nothing you can do
I know it's gonna happen
I don't know when
There's gonna come a time
When I get tired of this life
And I won't have a choice but to hit that door and not look back again

I'll take the long black Cadillac
Girl, there won't be no turning back
Much as I want to, there won't be a chance of that
There's only one way I'll ever leave
And when I do, you can bet I'm gonna be
Lying peaceful in the back of a long black Cadillac

Looking at you lying there
I run my fingers through your hair
I close my eyes and I can't help but think
How lucky I am
I can't think of a better way
To spend the rest of my days
When the good Lord lets me know my love for you has finally reached the end

I'll take the long black Cadillac
Girl, there won't be no turning back
Much as I want to, there won't be a chance of that
There's only one way I'll ever leave
And when I do, yeah, you can bet I'm gonna be
Lying peaceful in the back of a long black Cadillac
