

Long Black Cadillac

Ray Scott

I'm gonna leave you
There ain't nothin' you can do
I know it's gonna happen. I don't know when
There's gonna come a time when I get tired of this life
And I won't have a choice but to hit that door
And not look back again

I'll take a long black Cadillac
Girl, there won't be no turnin' back
As much as I'll want to
There won't be a chance for that
There's only one way I'll ever leave
And when I do, you can bet I'm gonna be
Lyin' peaceful in the back, of a long black Cadillac

Lookin' at ya lyin' there
I run my fingers through your hair
I close my eyes, and I can't help but think of how lucky I am
And I can't think of a better way to spend the rest of my days
When the Good Lord lets me know
My love for you has finally reached the end

I'll take a long black Cadillac
Girl, there won't be no turnin' back
As much as I'll want to
There won't be a chance for that
There's only one way I'll ever leave
And when I do, yeah, you can bet I'm gonna be
Lyin' peaceful in the back, of a long black Cadillac
That's the only way
