

Put Down That Gun

Ray Scott

Oh baby, don't you know that you're the only girl
For this old boy in the whole wide world
You get my heart racing more than anyone I've known
I love the way you look with more passion than most
How crazy it's gonna get girl, I never know
But I gotta admit, right now you're turning me on

You're the only one
A second to none
Don't we have fun
Put down that gun

I gotta say, mercy, you're so pretty when you're mad
Here in this moment I'ma want you back
So baby take a deep breath and ease that hammer back down
Well I don't know what it is that you think I did
But I promise it'll never ever happen again
Baby, let's get married, yeah let's do it right now

'Cause you're the only one
A second to none
Don't we have fun
Put down that gun

Oh, baby
What about the consequences, baby
Won't you miss my tender kisses, baby
Do you really wanna make my sweet momma cry
Oh, do you baby?

You're the only one
A second to none
Don't we have fun, oh baby
Put down that gun
No, this ain't no fun (oh, not anymore)
Put down that gun

Oh I'm begging you to reconsider, baby
What about the children we haven't had yet?

Oh, Jesus
