

Cat's Eye

Ray Stevens

I didn't know I was someday spelled
I couldn't know, there was no way to tell
I took a step, I slipped, I fell, I didn't know why
Deep in the dark, it was too hard to see
That in the night it had come over me (huh!)
Just stole my soul, imprisoned me with your cat's eye!
[Chorus:] Cat's Eye!
How you caught me unaware
[Chorus:] Cat's Eye!
How you hold me in your cell!
[Chorus:] Cat's Eye!
Won't you hide, but tell me where!
[Chorus:] Cat's Eye!
You got me spellbound!
[Chorus:] Cat's Eye!
How you stole my breath away!
[Chorus:] Cat's Eye!
How you tucked me night and day!
[Chorus:] Cat's Eye!
I can never get away!
[Chorus:] Cat's Eye!
I'm spellbound!
It's like a dream, only when do I wake?
Can't even scream, every breath that I take
Belongs to you, what can I do?
[Chorus:] Why should I try?
I woke around like a boy in a trance!
You pull the strings, I'm a puppet I dance!
You are holding me, eternally
In your cat's eye
[Chorus:] Cat's Eye!
Took my heart, was just a move
[Chorus:] Cat's Eye!
Every stare is like a hook!
[Chorus:] Cat's Eye!
Just one look, is all it took
[Chorus:] Cat's Eye!
You made me spellbound!
[Chorus:] Cat's Eye!
How you stole my breath away!
[Chorus:] Cat's Eye!
How you tucked me night and day!
[Chorus:] Cat's Eye!
I can never get away!
I'm Spellbound!
