

## I Can't Help It (If I'm Still In Love With You)

Ray Stevens

Today I passed you on the street  
And my heart fell at your feet  
I can't help it if I'm still in love with you

Somebody else stood by your side  
And he looked so satisfied  
I can't help it if I'm still in love with you

A picture from the past came slowly stealing  
As I brushed your arm and walked so close to you  
Then suddenly I got that old time feeling  
I can't help it if I'm still in love with you

You know it's hard  
It's hard to know another's lips will kiss you  
And hold you close the way I used to do  
Heaven only knows how much I'm gonna miss you  
I can't help it if I'm still in love with you

I'm still in love with you  
Still in love with you
