

# If You Like Your Plan

Ray Stevens

"We will keep this promise, to the American people  
If you like your doctor, you will be able to keep your doctor. Period  
If you like your healthcare plan, you will be able to keep your healthcare plan. Period."

The Unaffordable Healthcare Plan is far too complicated!  
So, our president simplified it for us  
All us ignorant, uneducated  
He said:

If you like your plan, you can keep your plan  
You can keep your doctor too  
Obamacare, each and every year, gonna save lots of money for you!  
Not a soul will be left uninsured  
You can trust me, I swear it's true  
And if you like your plan, you can keep your plan  
You can keep your doctor too  
Period!

We were told the plan would save us billions  
Now they say it'll cost us trillions  
And our promised better coverage  
Is failing before our eyes

Folks losing doctors when they need them the most  
Horror stories from coast to coast  
And Harry Reid has the gaud to tell us all that's just a pack of lies

So Mr. President, faced with all this, what do you have to say?

If you like your plan, you can keep your plan  
You can keep your doctor too  
Obamacare, each and every year, gonna save lots of money for you!  
Not a soul will be left uninsured  
You can trust me, I swear it's true  
And if you like your plan, you can keep your plan  
You can keep your doctor too  
Period!

Pelosi says, don't work, we'll pay  
Go find yourself  
Go paint, play  
The government will cover you night and day  
With a healthcare plan!

Well they lied about that, and they lied about this  
Just to get reelected, then they gave us a kiss goodbye  
And then they said go do the best you can

So, Mr. President, what about that? NOW, what do you have to say?

If you like your plan, you can keep your plan  
You can keep your doctor too  
Obamacare, each and every year, gonna save lots of money for you!  
Not a soul will be left uninsured  
You can trust me, I swear it's true  
And if you like your plan, you can keep your plan

You can keep your doctor too  
Period!

Yeah I know it must be true, says it right there on the Teleprompter  
Valerie told me it's true  
Hey, if I say it enough times, maybe it will be true!  
I am the president, you know  
I can say anything I want to  
And I just want to say

If you like your plan, you can keep your plan  
You can keep your doctor too  
Obamacare, each and every year, gonna save lots of money for you!  
Not a soul will be left uninsured  
You can trust me, I swear it's true  
And if you like your plan, you can keep your plan  
You can keep your doctor too  
Period!
