

# In The Still Of The Night / In The Still Of The Night

Ray Stevens

In the still of the night  
As I gaze out my window  
At the moon in its flight  
My thoughts all stray to you  
In the still of the night  
While the world lies in slumber  
Oh the times without number  
Darling when I say to you

Do you love me  
As I love you  
Are you my life to be  
My dreams come true  
Or will this dream of mine  
Fade out of sight  
Like that moon growing dim  
On the rim of the hill  
In the chill, in the still of the night

Shoo-doo shooby-doo  
Shoo-doo shooby-doo  
Shoo-doo shooby-doo  
Shoo-doo shooby-whoa

In the still of the night  
I held you, held you tight  
'Cause I love, love you so  
Promise I'll never let you go  
In the still of the night

I remember that night in May  
All the stars were bright above  
And I'll hope and I'll pray  
To keep your precious love

Well before the light  
Hold me again with all of your might  
In the still of the night

In the still of the night
