

## Lay Me Down (Roll Me Out To Sea)

Ray Stevens

There's dust on my piano  
And dishes in the sink  
Your side of the bed is cold  
And I ain't slept a wink  
As I read your goodbye letter  
To the face inside my drink  
Well you can lay me down and roll me out to sea

Got your picture from my wallet  
And some pictures in my mind  
A pocketful of memories  
That I thought I'd left behind  
And it's rainin' like a Monday  
And the world looks so unkind  
So just lay me down and roll me out to sea

Lay me down, roll me out to sea  
Callin' on a mighty wave to cover me  
Lay me down, roll me out to sea  
Heaven, if you're ready  
Shine your light, shine your light on me

Now you've listened to my story  
But I haven't told it all  
Saw her with her new guy  
She turned to me and called  
When she asked how I was doing  
I coulda crumbled like a wall  
So just lay me down and roll me out to sea

Lay me down, roll me out to sea  
Callin' on a mighty wave to cover me  
Lay me down, roll me out to sea  
Heaven, if you're ready  
Shine your light, shine your light on me
