

# Let's Do It Right This Time

Ray Stevens

Let's Do It Right This Time. And not waste on precious day.  
Accepting invitations from empty obligations that just get in the way.

Let's Do It Right This Time. Get our priorities in line.  
Take time out to discover the joy of one another. Let's Do It Right This Time.

When I think of how close we came to throwin' love away.  
It scares me so to see how fragile love can be that all I want to do is hold on to you and say.

Let's not waste our second chance.  
We've learned our lesson well.  
Love is more than a game.  
Children change their names.  
And there's more to know than we can show or tell.
