

Only You (And You Alone)

Ray Stevens

Only you can make this world seem right
Only you can make the darkness bright
Only you and you alone can thrill me like you do
And fill my heart with love for only you

Only you can make this change in me
For it's true, you are my destiny
When you hold my hand I understand the magic that you do
You're my dream come true, my one and only you

When you hold my hand I understand the magic that you do
You're my dream come true, my one and only you
Only you
