

Put It In Your Ear

Ray Stevens

Tell me baby what you need to know.
Do you wonder if I love you so?
Tell me honey what you want to hear and I'll Put It In Your Ear

.
You are my one and only that's for sure.
Ad all I want is you to feel secure.
What could I say that would delay your fears and I'll Put It In
Your Ear.

Ain't got another lover other than you.
I'm at your beck and call.
Don't lay awake at night whatever you do.
Don't ever worry about a thing at all.
'Cause when I'm hungry for some woman love it's automatically y
ou I think of.
And anytime I talk sweet and sincere I'll Put It In Your Ear.
Put It In Your Ear.

Look Shrinhorn what I really want to say is that you're giving
me the blues with all your insecurities!
If I told you once I told you a thousand times.
Nobody could hit me with a fourteen inch Liverwurst quite like
you, so relax.
Lay back and let me take this big juicy apple strudle and Put I
t In Your Ear, hehhehehe, now could I do that if I didn't love
you poopsy?

Don't want no other lover other than you.
I'm at your beck and call.
Don't lay awake at night whatever you do.
Don't ever worry about a thing at all.
'Cause anytime I need some woman love it's automatically you I
think of.
And anytime I talk sweet and sincere I'll Put It In Your Ear.
I'll Put It In Your Ear.

Come over here I'm gonna put it right in your ear...hahahaha, w
