

# Spiders And Snakes

Ray Stevens

I remember when Mary Lou said  
'You want to walk me home from school'  
And I said, 'Yes, I do'  
She said, 'I don't have to go right home  
And I'm the kind that likes to be alone  
As long as you would'  
I said, 'Me, too'

And so we took a stroll  
Wound up down by the swimmin' hole  
And she said, 'Do what you want to do'  
I got silly and I found a frog  
In the water by a hollow log  
And I shook it at her  
And I said 'This frog's for you'  
She said

'I don't like spiders and snakes  
And that ain't what it takes to love me  
You fool, you fool  
I don't like spiders and snakes  
And that ain't what it takes to love me  
Like I want to be loved by you'

Well, I think of that girl from time to time  
I call her up when I got a dime  
I say, 'Hello, baby'  
She says, 'Ain't you cool'  
I say, 'Do you remember when?  
And would you like to get together again?'  
She says, 'I'll see you after school'

I was shy and so for a while  
Most of my love was touch and smile  
'Til she said, 'Come on over here'  
I was nervous as you might guess  
Still looking for somethin' to slip down her dress  
And she said, 'Let's make it perfectly clear'  
She said
