

## (Swaying To The Music) Slow Dancing

Ray Stevens

It's late at night and we're all alone  
Just the music on the radio  
No one's comin', no one's gonna telephone  
Just me and you and the lights down low

And we're slow dancin', swayin' to the music  
Slow dancin', just me and my girl  
Slow dancin', swayin' to the music  
No one else in the whole wide world (whole wide world)  
Just you and me girl

And we flow together when the lights are low  
Shadows dancin' all across the wall  
Music's playin' so soft and low  
Rest of the world so far away and small

When we're slow dancin', swayin' to the music  
Slow dancin', just me and my girl  
Slow dancin', swayin' to the music  
No one else in the whole wide world (whole wide world)  
Just you and me girl

Hold me  
Come on baby, hold me  
Don't ever let me go

As we dance together in the dark  
So much love is in this heart of mine  
Whisper to me and hold me tight  
You're the one I thought I'd never find

And now we're slow dancin', swayin' to the music  
Slow dancin', just me and my girl  
Slow dancin', swayin' to the music  
No one else in the whole wide world (whole wide world)  
Just you and me girl

Slow dancin', swayin' to the music  
Slow dancin', just me and my girl  
Slow dancin', swayin' to the music  
No one else in the whole wide world (whole wide world)  
Just you and me girl
