

Sleep Walkers

Ray Vaughn

Yeah

Ray Vaughn

Why you even play games with me?

Listen

Based off your mistakes, now it's ruined for us (Ruined for us)

I tried to plant the seed for people who was rootin' for us (Rootin' for us)

See, I was under the impression we was movin' forward (Movin')

You ain't recognize all the shit I been doin' for you (Damn)

Point out all my flaws and use it as justification (Yeah)

Yeah, we talk, but see, you mastered the art of manipulation (Damn)

When I found out 'bout your ex, you ain't give me no explanation (Nothin')

And that's when I turned detective and opened investigation (Woo)

Thinkin' you, me, ex? How could I fit in that equation?

'Cause my time is not a drunk, in other words, it can't be wasted (Nah)

Shit, if you gon' play games, hit your ex for simulation

'Cause your ex the reason that we in this fuckin' situation

Shit, it's cool and all, 'cause I don't want you out here feelin' bad for me

(Bad for me)

But when he break your heart and shit, don't come runnin' back to me (Back to me)

You played yourself, and really that's the only thing that's sad to me (Yeah)

The way I held you down, kinda defined the rules of gravity (Sheesh)

You cheated once (Cheated once), but shit, I still let you back in (Back in)

Even though it's back then (Back then), still eats me up like Pac-Man (Pac-Man)

I always put you first, even when it was your last chance (Yeah)

But you ain't give a fuck, 'cause you still left my heart in fragments (Damn)

I found it out through Sarah (Sarah), how come you couldn't tell me? (Tell me)

Everybody knew before me, that's what made me so embarrassed (Shit)

Always fallin' for your type, it's like my era full of seraph

Wasn't tryna feed a bunny, that mean fill your hand with carats

And you said you needed space (Space), but how you just gon' leave me waitin'?

Tellin' people we ain't datin', contradicting what I'm sayin'

Had your family think I'm crazy, wasn't no need for you to fake it

Could've bought a PlayStation, my heart ain't nothin' to play with (Look)

I can't believe I let this happen to me twice (Twice)

Would've gave my last breath just to let you live your life

You was in my head like lice (Lice)

You gon' give him head tonight (Tonight)

Was tryna do it for a wife, but bitch, you do it for the likes (Do it for the likes)

Now you gon' do what you gon' do and I'm gon' do what I'm gon' do (I'm gon' do what I'm gon' do)

Can't spend no more time on you (No time on you), you go back 'cause you comfortable (You comfortable)

Ain't done that shit he promised you, he cheat and he dishonest too

You stupid, that's what I assumed, and now my heart ain't got no room

I'm blowin' up like sonic boom, get back in good, you tryin' to

But ain't gon' be no slidin' through, easy as I tie my shoes

You lie to me, I lie to you (I lie), ain't got the urge to lie with you

The apple of my eyes until you showed his ass my private view (Fuck)

Why would you try to build with me in the first place? (In the first place)

If you was just gon' run back and not get first place? (First place)
Understand that this ain't comin' from a hurt place (From a hurt place)
But if it was, I wouldn't call you up
And first day, he messin' up (Messin' up)
And now you hit me up (You hit me up)
But it's too late for that (Too late for that)
'Cause now I don't give no fucks (I don't give no fucks), yeah
Left my heart in pieces, had to pull myself together (Yeah)
See, the one you left me for, he gon' make you hurt forever

Bitch, you stupid
Haha, bitches
You fucking dumb
