

You Don't Even Care You Hurt Me

Ray Vaughn

Yeah

Ray Vaughn

Tomorrow ain't promised, no

Damn, it's like you don't even care you hurt me (You don't care)

Said I loved you a thousand times, but I don't think you heard me (I don't know)

Thought we was on the same team and you just traded jerseys (Traded)

Bitch, you Kyrie Irving in green, you look like a serpent

Played so many different roles, thought it was Eddie Murphy (Eddie Murphy)

You keep doing the same thing, you technically rehearsing (Go back)

But if I keep on going back, I'm technically reversing (Yeah, yeah)

I put in a lot of time and you can't reimburse me

Hardest shit ever is moving on when you still care

You try to hide the shit, but you know the feelings is still there

Red meat, you thought that relationship was real rare (Real rare)

Looking for true colors until they finally revealed theirs

People expecting me to just forget about you

Been dead inside, tryna find a reason to live without you (Live without you)

Friends tell me to know my worth, but this a different value (Different value)

They say I never hear 'em out, it's like I mute the volume

I got into it with my mama just for being with you (Just for being with you)

So how the fuck you just gon' go and up and leave a nigga? (Up and leave a nigga)

I'm hoping when you hear this shit that you got Keisha with you (Where Keisha at?)

'Cause the way she viewed me, it changed how you see a nigga

I used to call you all the time 'cause you was always on my mind

And see, I never bailed out because we always had that bond

And if nobody understood, who gives a fuck? It ain't they job

I was tryna make a mil' and still have you by my side

But you changed up, I guess we wasn't on the same page (Nah)

For all my dark years, we wasn't even on the same day

Said you hurtin' too, but I don't think that it's the same pain (Nah)

I text you still, even though your responses be plain jane (Woo)

Gave the best people the worst parts of me (Parts)

Don't know why it's so hard for me (Hard)

To tell you not to talk to me (Talk)

Would cry until I fall asleep, tired of friends insulting me

But if your name ain't Morton, ain't no reason to be salting me

I blame myself for falling in love with the wrong woman (Wrong woman)

Question God, what the fuck I'm 'posed to learn from it? ('Posed to learn)

He ain't answer, so I'm slippin' to depression now (Depression)

Supposed to build me up, but I just feel He let me down (Let me down)

So now I'm sitting in this bed with this pistol to my head (Damn)

Said you love me, then you fled (Fled), now you got me seeing red

'Cause you don't know your own strength, this shit pushed me to the edge

And you can miss me with the bull, so you gon' miss me when I'm dead

'Cause shit, tomorrow ain't promised

Nah, no it ain't (No, it ain't)

So if I die today, tomorrow ain't promised

I'll see you in the land of the promise (Promise)

And if I don't make it there, then I don't care, to be honest (I don't care)

I'm in a bad place (Bad place)

It's safe to say that this my last date (This my last date)

I ain't Biggie, I don't have faith (I don't have faith)

I don't smile, I permanently got a sad face (Got a sad face)
It's harder than catching a fish when you don't have bait
But it's just so much on my plate, if you eat it, you overweight (Yeah)
And I'm trapped inside my mind and I feel like it's no escape (Nah)
Ain't no reason to stay if it's easy to be replaced
Somebody said the pressure's real, now I'm startin' to relate
Got my hand to the ceiling (Ceiling), as I'm starting to pray (Pray)
Never thought this'd be my fate (Fate), I got nothing else to say (Nah)
Text bubble pop up and disappear, now should I wait?
But if I don't respond, then fuck it, it's too late
'Cause I'm gone, yeah
I'm gone
Shit
'Cause tomorrow ain't promised, no
I know tomorrow ain't promised, not for me
Yeah
