

# God Looked Around

Ray Wylie Hubbard

God looked around  
He didn't see nothin'  
Said, "Well shucks, let there be light"  
So up come the sun  
Bright as all get-out  
And then he split it up into day and night

God looked around  
Wasn't much to look at  
So he fabricated the heavens and earth  
So now there's solid ground  
Divvied up by waters  
He said, "Well, there it is, for what it's worth"

He gave wings to birds  
Ao they'd fly in the air  
And legs for critters walkin' on the ground  
Allocated fish to the water  
And beasts to the fields  
And creeping things to crawl around

God looked around  
He didn't see no one  
He reached down and he picked up some dust  
Then he spit on it  
And he kneaded it like bread dough  
And a man rose up full-grown as such

God looked at the man  
He saw that he was lonely  
Said, "Go to sleep, I guess I ain't done"  
He pried out one of his ribs  
And he slapped some hide around it  
There was two now where once there's one

He gave it some curves  
And lips red a cherries  
And ravishing curly raven hair  
Well the man, he woke up

And he looked at the woman  
He said, "Whoa Lord, you done answered my prayers"

Now things was righteous  
When a snake walked up  
Said "Hey woman, take a bite of this  
"You'll be smart as God  
"And you'll live forever  
"You'll be foolish to resist"

The woman said "Uh-uh  
"I don't eat from that tree  
"Those was God's very own words"  
Oh, but the snake sweet-talked her  
And she took a bite  
And the she realized she's naked as a jaybird

The woman went to the man  
And he took a taste  
"Well I'm undraped" he proclaimed  
And they heard God a-comin'  
So they went and hid  
'Course they was naked and ashamed

Well, God found 'em  
Said, "You ate forbidden fruit"  
The woman cried "The snake duped me, I was tempted"  
God said "I told you not to  
"And since you disobeyed  
"Your time here in paradise is ended"

So God cast 'em out  
Dooming us all to die  
That's why it's the way it is  
And God said to the snake  
"You done walkin' and talkin'"  
That's why to this day they slither and hiss
