

Whoop and Hollar

Ray Wylie Hubbard

When I rise up out of the river
Knowin' my sin's been washed away
I'm gonna whoop, I'm gonna hollar

When I rise up out of the river
Knowin' my sin's been washed away
I'm gonna whoop, I'm gonna hollar

I'm gonna whoop, I'm gonna holler
I'm gonna whoop, I'm gonna hollar
I'm gonna rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up a whoopin' and hollarin'
Rise up, rise up

When I rise up out of my grave
And I see my savior's face
I'm gonna whoop, I'm gonna hollar

When I rise up out of my grave
And I see my savior's face
I'm gonna whoop, I'm gonna holler

I'm gonna whoop, I'm gonna hollar
I'm gonna whoop, I'm gonna hollar
I'm gonna rise up whoopin' and hollarin'

Rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up, rise up

When I rise up in God's empyrean heaven
Flappin' my angel wings
I'm gonna whoop, I'm gonna hollar

When I rise up in God's empyrean heaven
Flappin' my angel wings
I'm gonna whoop, I'm gonna hollar

I'm gonna whoop, I'm gonna hollar
I'm gonna whoop, I'm gonna hollar
I'm gonna rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up, rise up

I'm gonna whoop, I'm gonna hollar
I'm gonna whoop, I'm gonna hollar
I'm gonna rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up whoopin' and hollarin'
Rise up, rise up, rise up
