

# All Dressed Up

RAYE

Hennesy, I'ma need this liquid courage, all of it  
My sentiments, sentiments sat out at the bar  
Fall out I'ma kiss goodbye my worries, all of 'em  
But then I started seeing the stars

This sad, sad, wait and learn how  
Skirt is too short, I got my curves out  
I'ma little too late so call the last round

I get all dressed up  
To go ahead and let myself down  
So you could just hold me like my dress, skin tight  
We could pretend it's a Saturday night  
And it's alright, it's alright

So tell me who's next up  
To come on here and waist my time  
So you could just hold me like my dress, skin tight  
But we pretend it's a Saturday night  
And it's alright, it's alright

I'ma 'bout to tell you you're funny  
Oh, honey, oh no  
I'm drinking, I'm drinking  
I'm loving the lie

I don't care if you don't call  
And If you don't want me  
You're lucky you can try  
You won't see the real me when you look at my eyes

This sad, sad wait and learn how  
Skirt is too short, I got my curves out  
I'ma lil' too late so call the last round

I get all dressed up  
To go ahead and let myself down  
So you could just hold me like my dress, skin tight  
We could pretend this is Saturday night  
And it's alright, it's alright

So tell me who's next up  
To come on here and waist my time  
So you could just hold me like my dress, skin tight  
But pretend it's a Saturday night  
And it's alright, it's alright

Almost going slow motion  
Think that I should maybe take a love potion  
If I put it in my drink, would you sip some?  
Take a little sip and you should see what I become

This ain't love I'm hoping  
Hoping we can find something more  
Feels better when it means something  
Yeah, I just wanna feel something

So I get all dressed up  
To go ahead and let myself down  
And how 'bout hold me like my dress, skin tight?  
Like the dress that I wear on a Saturday night  
It's a Tuesday, but I won't tell if you don't

So tell me who's next up  
To come on here and waist my time  
So you could just hold me like my dress, skin tight  
But pretend it's a Saturday night  
And it's alright, it's alright
