

All Of My Love

RAYE

I think it's time
Let's make a plan
Oh, time to ride
My wave on men (On men, on men)

Why don't you try?
Just 'cause you can't? (Just 'cause you can't)
To find my love (To find my love)
All of my love (All of my, mmm)

All of my love
All of it, whoa, whoa
All of my love
All of it, whoa, whoa

The night is young
We switched our plans
Your skin is brown
Like sun-kissed sand (Oh man, oh man)

Why don't you try?
Just 'cause you can't? (Just 'cause you can't)
To find my love (To find my love)
All of my love (All of my, mmm)

All of my love
All of it, whoa, whoa
All of my love
All of it, whoa, whoa
All of my love
All of it, whoa, whoa
All of my love
All of it, whoa, whoa

Darlin'
Both legs open, and I'ma keep it a secret, yeah
Transparency is important, baby, I mean that
T-T-Time's are numbin' the pain, baby, I need it
I like your vibes, energy, but you the realest
I wish I could put your pussy in my pocket just to keep it
Drunk sex, head in my face, we keep hittin' deep
Smooth criminal, baby, I keep my gun inside the safe
Take it out, put it in the Jeep
(All of my love)
Huh, when it's all said and done, is it ever worth it?
I said it's never worth it, unless it is perfect
I bought my mother purses, my daughter got a Birkin
You're such a Scorpio, it's crazy, yo

No, boy, I haven't felt this kind in so long (So long)
Better yet, havin' dinner with my clothes on
Said I'm gettin' sober but, boy, it feels so good in part one
Needed a pick me up, I'ma stress in Hill Station
So I jumped in your ride, ring, ring your ad'
Baby, let me add to the things that you like
You're tellin' me your secrets 'cause you know I'm a keeper
Come find my love

All of my love (All of my love)
(All of my love)
All of it, whoa, whoa
All of my love (Of it, whoa, whoa), oh
All of it, whoa, whoa
All of my love (Ooh)
All of it, whoa, whoa
All of my love
All of it, whoa, whoa
Yeah

So, 2020, I want you to be a part of my life, for real, for real
Know what I'm sayin'?
At the same time, except I'm really not in no place where I can really do anything, like mad serious about you
Real love, babe

(Oh, oh)
All of my love (All of my love)
All of it, whoa, whoa (Whoa)
All of my love (Of it, whoa, whoa)
All of it, whoa, whoa
All of my love
All of it, whoa, whoa
All of my love
All of it, whoa, whoa
