

## Buss It Down.

RAYE

So I'm dancing on the kitchen floor  
I caught a vibe too  
And song to wine to  
I said, "I'll whine my waist  
Forever more"  
Until I find you  
Until I find you

I'm gon' bus it down  
I'm gon' bus it (She gon' bus it)  
I'm gon' tick-tock on it like a clock  
I'm gon' touch it  
Oh, I'm gon' back it up  
And break it down  
And He's gon love it (He's gon' love it)  
I'm gon' bus it down  
Bus it down

I'm just trying to prioritise  
Who I grind for  
Who I take my time for  
I got my mind on my money  
Got my girls by my side  
Until I find more  
Something I'll ride for

I'm gon' bus it down  
I'm gon' bus it (She gon' bus it)  
I'm gon' tick-tock on it like a clock  
I'm gon' touch it  
Oh, I'm gon' back it up  
And break it down  
And He's gon' love it (He's gon' love it)  
I'm gon' bus it down (Bus it down, back it up)

I'm gon' buss it down  
She gon' buss it down (Back it up like a truck)  
He gon' bus it down  
They gon' bus it down (Slow it down, speed it up)  
Shake it 'til my ocean drown it  
Shake it 'til your ocean drown it (Shake it 'til your ocean drown)

Until I decide that I'm settling down  
Oh, best believe I ain't ready now

I'm gon'  
Uh, hmm-mmm  
Hee, and then I'm gonna uh-uh-oh  
On the-, oh (They gon' bus it down)

I'm gon' bus it down  
I'm gon' bus it (She gon' bus it)  
I'm gon' tick-tock on it like a clock  
I'm gon' touch it  
Oh, I'm gon' back it up  
And break it down  
And he's gon' love it, yeah, yeah, yeah-yeah (He's gon' love it)
