

# Confidence

RAYE

Cheers!

Uh

Oh, baby boy needs

Red baby, sunshine, sunshine, yeah

Usually it's cold in the England

So I think I'll fly somewhere different

Usually I work on the weekend

But I'm free, so I'm goin' out

African boy, where are you at though?

Need someone so bad I can take 'em

One night ting is not what I came for, no no

I wanna hit the town

Now I'm movin' to the waist line, waist line

Pull me on you

Now, clearly you don't waste time, want mine

Not shy, are you?

Move confidence

Need a brother who move confident

Need a fella who do what he want

Got me feelin' all ooh

Dun-da-da-da

Seen a fella who knows what I want

Need a brother who move confident

Who's got me feelin' all ooh

Honestly, I know that we just met

But I think there's somethin' I'm likin'

The way that you look in my eyes

Like no way I can tell you no, I say, "Yes"

I don't know how quickly we'll take this

But whatever happens, I'm in this, I'm in this

Begin this, they can't see us 'cause your window's tinted

Now I'm movin' to the waist line, waist line

Pull me on you

Now, clearly you don't waste time, want mine

Not shy, are you?

Move confidence

Need a brother who move confident

Need a fella who do what he want

Got me feelin' all ooh

Dun-da-da-da

Seen a fella who knows what I want

Need a brother who move confident

Who's got me feelin' all ooh

Oh, you need a brother like me, babe

Spend money, I don't feel it

Fly around the world with a G, babe

Or slick talk got your in your feelings

The way I feel I can't deny

Got me workin' overtime

I lose it when you bust a rhyme

We foreplay then press rewind

I got you movin' to the waist line, waist line  
Turn me on, babe  
We be goin' to the late night, late night  
Put me on you

Move confidence  
Need a brother who move confident  
Need a fella who do what he want  
Got me feelin' all ooh  
Dun-da-da-da  
Seen a fella who knows what I want  
Need a brother who move confident  
Who's got me feelin' all ooh
