

## Decline

RAYE

Baby, I was always there for you, oh  
I was always on time  
And I gave you my all  
So now you call, I decline  
And now I don't know about you  
But I know I'm gonna be fine  
And I gave you my all

I could have shown you things you ain't seen  
Took you places that you ain't been  
But I decline your call all the time  
'cah you tried to play me  
I would have made you my queen  
But you took me for granted  
I've lost so much love and trust for you  
Now there's a hole where my heart is  
No I ain't playing games  
We can never be the same  
Went through struggle and shame  
You was at the bus stop in rain  
Now we in a 17 plate  
Thank God cause he's so great  
And now I'm walking out the door  
And there is no debate, no

Baby, I was always there for you, oh  
I was always on time  
And I gave you my all  
So now you call, I decline  
And now I don't know about you  
But I know I'm gonna be fine  
And I gave you my all  
So now you call, I decline

Please don't ring my phone  
Please don't ring my phone  
Leave a message after the tone

Hold up wait hear me now  
And Beyoncé said irreplaceable  
I was holding all this begging you this  
You was a mother mother what you play me for  
Now you said stop cause you needed me  
Going all out cause you need the freak  
But this ship done sailed I don't need you, B  
You had a good girl yeah baby

Baby, I was always there for you, oh  
I was always on time  
And I gave you my all  
So now you call, I decline  
And now I don't know about you  
But I know I'm gonna be fine  
And I gave you my all  
So now you call, I decline

Now baby you don't get to play me

Now baby oh, when you call, I decline  
Now baby you don't get to play me  
Now baby oh, when you call, I decline

Not gonna call, not gonna say I'm sorry  
I know you gon' lie and say that you've not been acting funny  
But you can't do it again, cause yes Imma leave you hanging  
Don't get no more tries, goodbye  
I know you're gonna regret it

Baby, I was always there for you, oh  
I was always on time  
And I gave you my all  
So now you call, I decline  
And now I don't know about you  
But I know I'm gonna be fine  
And I gave you my all  
So now you call, I decline

Now baby you don't get to play me  
Now baby oh, when you call, I decline  
Now baby you don't get to play me  
Now baby oh, when you call, I decline
