

Decline

RAYE

I was always there for you, oh
I was always on time
And I gave you my all
So now you call, I decline
And now I don't know about you
But I know I'm gonna be fine
And I gave you my all
So now you call, I decline

Oh you think that you sick when you running it
Now you been out on my line like an ambulance
Say 'Fam-fam-a-lam' no I'm done with it
No a 999 no emergency
Baby na na no I am into you
I'm a block you soon you're bugaboo baby
Back a man come unavailable
And I know I'm gonna find myself a better you

Now you're stressed out 'cause you're needin' me
Goin' all out 'cause you need to freak
But this ship is done sailed, I don't need you, B
No, you had a good girl yeah baby

I was always there for you, oh
I was always on time
And I gave you my all
So now you call, I decline
And now I don't know about you
But I know I'm gonna be fine
And I gave you my all
So now you call, I decline

I be ringing all day

Hold up wait hear me now
And Beyoncé said irreplaceable

You was a... mother mother what you play me for
Now you said stop 'cause you needed me
Going all out 'cause you need the freak
But this ship done sailed I don't need you, B
You had a good girl yeah baby

And I gave you my all
So now you call, I decline
And now I don't know about you
But I know I'm gonna be fine
And I gave you my all
So now you call, I decline

Now baby you don't get to play me
Now baby oh, when you call, I decline
Now baby you don't get to play me

Now baby oh, when you call, I decline

Thought it'd be me with a call
Just want to say I'm sorry
Not gonna lie and say that I not been acting funny
But if I do it again, then you believe me honey
Give me one try, one try
You never regret

Baby, I was always there for you, oh
I was always on time
And I gave you my all
So now you call, I decline
And now I don't know about you
But I know I'm gonna be fine
And I gave you my all
So now you call, I decline

Now baby you don't get to play me
Now baby oh, when you call, I decline
