

Five Star Hotels.

RAYE

You should be here with me
Don't you know what you're missin'?

Yeah, yeah
Oh-whoa, oh, yeah
Ooh
Yeah, yeah

Fuck what they say (Say, say)
I think you should take a break (Uh)
Get on a plane (Plane, plane)
Call it the sweetest escape
I wanna go
I wanna feel
I wanna feel your body
People gon' talk
Like it or not
So maybe don't tell nobody

Mm mm
And I know I been distant
I been seeing other guys
You been kissing other bitches (Mm hmm)
I think you should come and visit
I got someone else who isn't you
Pulling up in minute (Uh)

Yeah
Don't you know what you're missing
In a five-star high hotel in Mauritius? (I, I, I, I)
Think I know what you're missing
In a five-star high hotel in Mauritius
Mm

Come seek, I'm hiding
Sick of drunk dialing
Come to my hotel, baby, don't fight it
I just wanna hang on your neck like a diamond, uh-uh
Look at that timing
I take you to dinner fine-dining
I'ma take off how I land that
Pilot
5-star telly pree a bad bitch ride it, uh-uh

I'm on the road
I took the Benz
Down to the coast
I'm tryna drink
I'm tryna smoke
Set it on fire, I took a toke of that (Phffff, ah)
Clearing my mind
If you were mine
You would be here
We would be fine
There would be wine
We would be high on that, mm

And I know I been distant
You been loving other girls
I won't tell you who I'm kissing, yeah
I think you should come and visit
I got one fine piece of man
Standing in position
Ooh

Don't you know what you're missing
In a five-star high hotel in Mauritius? (I, I, I, I)
Think I know what you're missing
In a five-star high hotel in Mauritius

Sick of drunk dialing
Come to my hotel, baby, don't fight it
I just wanna hang on your neck like a diamond, uh-uh
Look at that timing
I take you to dinner fine-dining
I'ma take off, how I land that

Don't you
Huh
Don't you
Don't you
Know what you missing
Touching, kissing
I like persistence
Don't you wanna roll in my Rolls
With the stars on the ceilings
Come see this feeling now
Come feel like you're dreaming now
Come be by my side baby, I take you on a ride, baby
I'll show you why I'm different
You don't need a reason, no
We've always been distant
Always just existing
Well let's exist together now

Don't you know what you're missing
In a five-star high hotel in Mauritius?
Don't you know what you're missing
In a five-star high hotel in Mauritius?
